

Memorandum of Understanding

Between

Magellan Healthcare, Inc.

And

_____ (“Provider”)

The Provider, an early childhood education and child care program, and Magellan have agreed to work collaboratively in the Wyoming Early Childhood Behavioral Consultation (WYECBC)* program to ensure the provision of quality mental health services to children and families enrolled early childhood services.

The services will take place from _____ to _____.

The Provider agrees to participate in this collaborative by coordinating and providing the following services:

- Orientation of the behavioral consultant to the site(s).
- Informing staff and parents of what services will be offered through this collaborative effort.
- Coordinate regular weekly meetings to meet with staff for child or program consultation when there are active consultations
- Set regular meeting times (monthly) to discuss the behavioral consultation services and address areas that may need improvement to ensure the best quality of services to children and their families.

Magellan will provide a master’s level behavioral consultant/clinician to perform the following services:

- Classroom observations
- Case consultation with the care team
- One-to-one consultation as needed to family advocate and teachers regarding specific children in their care
- Case management/consultation services to children and families identified by the staff
- A Care Plan for each child or program consultation request
- Collaboration with special needs coordinator and other program staff regarding all children with suspected developmental delays. Coordination of referrals for treatment and/or evaluations

**The Wyoming Early Childhood Behavioral Consultation Program is an Infant and Early Childhood Mental Health Consultant (IECMHC) program funded by Wyoming’s Preschool Development Grant Birth Through Five (PDG B-5) Renewal Grant*

The Provider will perform the following:

- Make available the site(s) to receive behavioral consultation
- Provide the behavioral consultant with information needed to ensure the best quality of services for the children and families.
- Provide assistance in setting up meeting times, introducing staff members, and orientation to behavioral consultation.
