Community Update

We're Recruiting!

High Fidelity Wraparound in Wyoming is growing, and we're looking for more providers! If you know someone who might be interested in making a difference in the life a child, [send them our way!](#)

Training/Learning Opportunities Available:

**Build Strong Family Supports
with the Strengthening Families
Protective Factors Series**

ECHO for Families
Wednesdays (every other week)
12:00pm - 1:15pm MT
Join online via Zoom: bit.ly/echo-families

January 11: Protective Factors Overview
January 25: Parental Resilience
February 8: Social Connections
February 22: Concrete Supports in Times of Need
March 8: Knowledge of Parenting and Child Development
March 22: Social and Emotional Competence of Children

The Strengthening Families approach and protective factors framework focuses on the well-being of all families and helps families identify and build on their own protective factors. Each protective factor is important and together they build strong and stable families.

ECHO for Families is a group that provides learning, advocacy, and mentorship for families who have a child with a disability or other social, emotional, or behavioral challenge. All family members are welcome to join.

4 Bitewings x-rays	\$15
Pano x-ray	\$25
Full mouth x-rays	\$25
Sealants per tooth	\$10
Polishing	\$0

Pay with your time instead of money!

Dental Hygiene students need multiple checks by instructors throughout appointments, which takes extra time.

Each appointment is 3 hours, and multiple appointments may be needed depending on type of cleaning. Deep cleanings especially are more intense cleanings that need more time.

Complete comprehensive treatment is required, so an exam is necessary for each patient. If you already have x-rays from another clinic, we can get them sent over to the school! Just let us know.

Children appointments are usually quicker, and students are always in need of adolescent patients!

May take longer for dental treatment to be accomplished, but **EXTREMELY THOROUGH!**

2023 appointments begin January 3rd, and ask for Jess or one of the other hygiene students!

To make an appointment or have questions? Call 307-778-1141 :)
