High Fidelity Wraparound in Wyoming is made possible by the Wyoming Department of Health, Division of Healthcare Financing.

Magellan's High Fidelity Wraparound

High Fidelity Wraparound helps children and teens with complex behavioral health care needs by giving them extra help right where they live. It's a special service in partnership with Wyoming's Department of Health and Medicaid to make sure children and youth along with their families get the support they need.

What are the benefits of High Fidelity Wraparound?

Through team support, children/youth and families learn skills.

- Stay connected with their family and community.
- Families get special help centered around what's best for them.
- Everyone involved respects the family's unique qualities and culture.

Lots of agencies and people across the state work together to make High Fidelity Wraparound successful. It's all about helping children and families thrive.

Who can participate?

Your child/youth may qualify for our services if they:

- Are between the ages of 4–20
- Are eligible for Medicaid
- Have been involved in multiple systems
- Have received a specific behavioral/mental health diagnosis
- Have social or emotional challenges that impact their life
- Have a qualifying score on an assessment completed by a behavioral health provider
